

Pave the Way to a More Beautiful Park

Memorial Brick Program

The Citizens for Better Parks and the Rome-Floyd Parks and Recreation Authority invite you to participate in the Memorial Brick Program. This special campaign was created to improve our parks and our community. By purchasing a brick with your special engraved message, the money will fund improvements for local parks enhancing our green space for recreation and enhancing our community charm. Proceeds will also benefit children in need through the establishment of an athletic scholarship fund. Help build your community and improve your parks. Purchase your brick today.

Proceeds to benefit parks and

Become a Part of Rome History

Become a part of history when you purchase a brick engraved with your own unique message. Choose from several locations to create your special place of honor. The brick pavers will be installed in Riverview Park Memorial Garden commemorating the lasting memories of baseball behind the levee. The pavers will also be installed at North Floyd Park and Shannon Park to celebrate the strength and spirit of our Rome communities. Purchase a brick to celebrate an outstanding coach, player, team or fan. Or just show your support for the parks and purchase a brick as a gift, or as a donation.

Lasting Memorial

The brick memorials are sure to become a gathering place for families and friends to read the names and messages engraved on the bricks. A limited number of memorial pavers are available. **Purchase your brick today!**
