

**2026 MLb Youth Camp, LLC**

**Daily Camp Highlights**

There will be three special day camps for youngsters between the ages of five and thirteen. Fundamentals will be stressed to include pitching, throwing, catching, hitting, fielding, base-running, and team concepts, as well as, game strategies for baseball. Each group will be instructed in stations throughout the morning by qualified coaches and college players. Once all stations are completed, the campers will come together for team concepts and will be separated by age to play in a controlled scrimmage game. The camps will be kept small so that **INDIVIDUAL ATTENTION** is stressed. The camps are held Monday through Friday from 8:30a.m.to 12:00 noon each day, rain or shine. Facilities are available at the park for inclement weather; located at the Levee Fields in Riverview Park. Should we have severe weather during the week, camp site will be moved to Darlington's Baseball Indoor Cages. Communication will be announced via e-mail at 6:30am the morning of the venue change. Each camper will receive a camp T-shirt at the end of the week.

**The Facilities**

The camp site will be held at the Levee fields at Riverview Park. Four baseball fields will be used during the camp to ensure maximum instruction. Various machines and cages will be used as instructional tools by the camp. Darlington School Baseball has four indoor full-length cages that can be utilized during severe weather.

**Enrollment**

In order to maintain the highest quality of instruction, each camp is limited to size. One of Coach Larry's goals is working personally with each camper. Large camps of hundreds of campers cannot accomplish the kind of personalized instruction that is an essential part of the MLb Camp philosophy. **EARLY ENROLLMENT IS ENCOURAGED.** Applications will be processed on a first come, first served basis.
